Characteristic of products				
Minimum and maximum loan amount	The minimum amount: not defined The maximum amount: not defined, depends on client creditworthiness			
Criteria for changing of stipulated variable nominal interest rate	Changing of the variable nominal interest rates is caused by changing the value of the three-month BELIBOR, and shall be carried out four times a year, on each January 06th, April 06th, July 06th and October 06th until the maturity. Changing is based on the value of the three-month BELIBOR, which is defined in the market 2 working days before the date of adjustment. If adjustment dates are non-working dates, the next working day will be applied.			
The interest calculation method	Proportional			
Applied interest rate in case of recorded delay (penalty interest rate)	If the Client doesn't fulfill financial obligations defined by the Loan Contract, on the amount of overdue obligations penalty interest will be calculated. Calculation of penalty interest is defined by the Penalty Interest Rate Law. If the contracted nominal interest rate is higher than the penalty interest rate, nominal interest rate will be calculated after default of the Client.
