

## UniCredit Bank at its new location in Belgrade Waterfront

**Belgrade, July 2023** – UniCredit Bank is pleased to inform all its clients and fellow citizens in Belgrade that a new branch is available, and in an exclusive location - Belgrade Waterfront, at Woodrow Wilson 8v. By that, the Bank's network has become richer for another modern and contemporary branch, where we will be able to provide you with a better service.

*„The full two decades of our bank's business in Serbia show that we are a reliable partner and support for all clients and that you are all at the center of our business. We continuously monitor the market and the needs of all our clients. Accordingly, we have recognized this location as a place where we need to be available to our customers, and I am sure that this way will surely provide a much more pleasant user experience. Of course, we are here to reward all new clients, but also to take this opportunity to thank everyone who has entrusted their finances to our bank so far“,* said **Rastko Nicić, Member of the Management Board and Head of Retail and small business operations at UniCredit Bank Serbia.**

As a bank that continuously strengthens the community in which it operates and thinks of its fellow citizens, we have also prepared a special offer for all new clients who open a Package Gold account and transfer earnings to our bank.

We invite you to visit our new branch in Belgrade on the water for more information about the special offer we have prepared for all new clients.

### **About UniCredit**

*UniCredit is a pan-European Commercial Bank with a unique service offering in Italy, Germany, Central and Eastern Europe. Our purpose is to empower communities to progress, delivering the best-in-class for all stakeholders, unlocking the potential of our clients and our people across Europe.*

*We serve over 15 million customers worldwide. They are at the heart of what we do in all our markets. UniCredit is organized in four core regions and two product factories, Corporate and Individual Solutions. This allows us to be close to our clients and use the scale of the entire Group for developing and offering the best products across all our markets.*

*Digitalisation and our commitment to ESG principles are key enablers for our service. They help us deliver excellence to our stakeholders and creating a sustainable future for our clients, our communities and our people.*
