

## UniCredit Bank Best Trade Finance Provider in Serbia

**Belgrade, January 2024** – UniCredit Bank Serbia, a member of the UniCredit Group, has been declared the **Best Trade Finance Provider in Serbia** at the annual awards ceremony of the Global Finance magazine.

Global Finance included banks from 100 regions and countries in this year's list of World Best Trade Finance Providers. The criteria by which the best were selected included the total volume of transactions, the extent of global coverage, customer relations, price efficiency and technological innovation, and Global Finance took into account the opinion of banking analysts, CEOs and technology experts in the selection.

Global Finance je na ovogodišnju listu *World Best Trade Finance Providers* uvrstio banke iz 100 regiona i država. Kriterijumi po kojima su birani najbolji, uključivali su ukupnu količinu transakcija, opseg globalne pokrivenosti, odnose s klijentima, cenovnu efikasnost i tehnološku inovativnost, a *Global Finance* je pri izboru u obzir uzeo i mišljenje bankarskih analitičara, izvršnih direktora i tehnoloških stručnjaka.

**Nikola Vuletić, president of the Management Board UniCredit Bank Serbia** said: *"It is a real pleasure to point out that UniCredit Bank Serbia has confirmed its leadership position by Global Finance magazine. This prestigious award is recognition of our commitment to providing superior services to clients, and is an additional motivation to remain leaders in the financial services industry"*.

**Aleksandra Rašić, Head of Corporates and the Member of Management Board UniCredit Bank Serbia** pointed out: *"We will continue to be committed to excellence, providing services according to the highest banking standards and continuously improving our products. Thank you to all clients for the support and trust they continue to show us"*.

*"Faced with a challenging economic and geo-political environment and shifting trade flows has led to a greater reliance on digitalization and emerging technologies as banks and their corporate clients seek surety in a time of transition"*, said **Joseph D. Giarraputo, publisher and editorial director of Global Finance**. *"They are also finding new ways to tackle fragmented ecosystems and increased demand for Environmental, Social and Governance (ESG) by helping create resiliency and provide greater transparency in supply chains"*.
