

UniCredit Leasing at the car fair show

Start a new adventure with a special UniCredit Leasing fair offer

Belgrade, Marth, 2024 – In anticipation of the Car Fair, which will be held from March 21 to 27 in Belgrade, **UniCredit Leasing has prepared a special vehicle financing offer** to provide incentives to partners, vehicle distributors, as well as provide reduced interest rates for all clients.

With UniCredit Leasing's experienced team and fast approval process, citizens can be sure that they will drive home their new four-wheeler quickly and easily. Regardless of whether you are considering the purchase of a practical family car, a stylish sedan or perhaps an SUV, UniCredit Leasing offers clients a special financing plan with reduced interest rates.

Ivan Jauković, President of the Executive Board of UniCredit Leasing said on this occasion: *"In the time of the general trend of rising costs, we tried our best to contribute and help customers, that is, our clients, to get their desired vehicles. Our team is always at their disposal, and I invite everyone to visit our stand during the fair, where they will be able to get answers to all their questions"*.

UniCredit Leasing traditionally provides special financing conditions with an interest rate of 0% in cooperation with long-term partner Volvo, while special financing conditions for vehicles from the Citroen program are also provided for the upcoming Fair.

During the fair, visit the UniCredit Leasing stand and take advantage of this opportunity to save money and realize your plans for buying a vehicle, in the most efficient way.

About UniCredit

UniCredit is a pan-European Commercial Bank with a unique service offering in Italy, Germany, Central and Eastern Europe. Our purpose is to empower communities to progress, delivering the best-in-class for all stakeholders, unlocking the potential of our clients and our people across Europe. We serve over 15 million customers worldwide. They are at the heart of what we do in all our markets. UniCredit is organized in four core regions and two product factories, Corporate and Individual Solutions. This allows us to be close to our clients and use the scale of the entire Group for developing and offering the best products across all our markets. Digitalisation and our commitment to ESG principles are key enablers for our service. They help us deliver excellence to our stakeholders and creating a sustainable future for our clients, our communities and our people.
